SERVICE INC.**

“Super Sleeve™”

POLE HOLE SLEEVE

PRODUCT INFORMATION

- made of 100% recyclable polyethylene material
- three pieces - two vertical halves and a lid, held together with 8 ties
- unique design allows for ease of handling, transportation and storage
- Super Sleeve™ comes in the recommended safety orange colour but other colours are available upon request
- reinforced ends adds product stability
- weighs less than 55 pounds with each sleeve weighing approximately 23 pounds
- current sizes include 20” x 8’ as well as 24” x 10’.
- safety lid snaps into place which eliminates the possibility of blowing off or even being easily removed
- lids complete with the labels “Caution Deep Hole” and “No Step”. You will also have the option of putting your logo on the lid
- two conveniently placed eyes on each half of the Super Sleeve™ will allow for easy removal of the Super Sleeve™ out of the ground, and for better storage options in your yard
